DAVID SCADDEN

My wife Jacqui & I have been retired from the breeding game after breeding Birmans under the Magwai prefix since 1985.

We both originate in the Wairarapa in the sunny South Eastern part of the North Island of New Zealand.

We moved to Rotorua, in the Bay of Plenty in 2008. One of the major tourist destinations in the country, the scenery is striking and we are very central to other cities and beautiful destinations.

Our other great love are our Bengals, which we originally imported into the country in 1996 and bred successfully under the LapLepid prefix.

We have three children who have now left home and one grandson born in 2016.

We have a number of desexed Birmans and Bengals to keep us pretty busy. Other interests include good wine, genealogy, music and collecting and restoring Ford Capri's.

I started judging in 1992 and reached the status of All Breeds in 2005, learning a great deal about all aspects of felines along the way.

I really enjoy judging and try to talk to and educate the spectators as much as possible on the various breeds. I feel that a cat show has to be entertaining and informative. I enjoy meeting fellow cat fanciers from around NZ and other parts of the world.

ROY GRIFFITHS

I live with my cats in the quiet suburb of Cashmere in the hills of Christchurch, New Zealand.

A bit damaged by the Earthquakes, as we say here "shaken but not stirred".

Christchurch is starting to rebuild, and the strength and unity of the community has developed substantially during this catastrophe.

I have been involved with animals all my life, bred, and exhibited Weimaraner's (German Hunting dog) in the Gundog ring to a level of National Champion.

Initially a Devon Rex stole my heart at a cat show. Unfortunately, at that time the mopathy problem was being controlled so I settled on Oriental and Siamese. These stole my heart and although never exhibiting them, I owned one of each to a very elderly age of 16yrs+.

Of recent years I managed to acquire a Devon and have bred and exhibited Devon Rex since.

Presently focusing on an outcross program to expand gene diversity and bring the cinnamon colour into the Devon Rex gene pool. My extended family and my passion are my cats.

A qualified Steward, Handler and Senior Shorthair Cat Judge and still exhibiting Devon Rexes.

Have held office on the Executive Committee as the Portfolio Manager of the Breeds Standards Advisory of the New Zealand Cat Fancy.

Currently working towards achieving All Breeds status in judging.

ANGELA IRVINE

I emigrated from the UK in 1968 with my family and was never allowed any animals. I soon rescued a kitten from the Cat Haven once I left home and my love of cats began. I started breeding Birmans in the late 80's but then discovered Ragdolls and became one of the early pioneers of the breed.

I have helped take this magnificent breed from those early days to where it is today through breeding, seminars, mentoring etc.

It was on a trip to the US to buy a breeding pair of Ragdolls that I met Anne Baker, the Founder of the Ragdoll breed and also met my first Sphynx and my love took over for that breed as well. I pioneered the Sphynx breed in Australia and have taken it to where it is today together with the help of some very good breeders.

I am a qualified steward and took on my judging as I wanted to give back to the Cat Fancy, especially ANCATS the knowledge and joy it has given me. I am very proud to say that I am now an All-breeds Judge.

JANE VAN DYK

I have been breeding Burmese and Mandalays since 1993 and judging since 2001. I originally trained in All Shorthair with the NZCF and finished All Breeds with ANCATS. Cinnamon colour Burmese and Mandalays are my passion and have been extensively involved in Rod Hitchmough's cinnamon Burmese programme, introducing this colour into Australia after relocating country. Recently, I welcomed a beautiful Siamese girl from Hetty into our family and look forward to working with a new breed.

I have served on the NZCF Executive and Breed Standards Committee, and currently serving on the ANCATS Breed Standards Committee. Melbourne is my home, with my two adult children and feline friends.
