Ooh La La

Three Ring Championship Show

Ooh la la, it's show time.

We're delighted to welcome you to our Three Ring Championship Cat Show, with a little French flair to match the occasion. With a French judge joining us, it felt only right to bring a touch of Parisian sparkle, charm and celebration to the day.

This show is a chance to enjoy everything we love about the cat fancy. Beautiful cats, proud exhibitors, friendly faces, busy rings and the wonderful mix of breeds and personalities that make every show day special. From promising kittens to polished adults, alters and much-loved companions, each exhibit brings its own little moment of magic to the judges bench.

With a full championship schedule, exhibitors will also have the opportunity to collect valuable points towards year end celebrations. But beyond the ribbons and results, the heart of the day is the shared enjoyment of our cats, our community and the friendships that continue to grow through ANCATS.

We look forward to welcoming you, your cats and kittens to a memorable day of judging, friendship, French-inspired fun and show day pride.

Our Judges

Ring 1 All Breeds

Pascal Pobe - LOOF France

Pascal Pobe is an international WCF Allbreed judge from Hérimenil, France. With broad experience in the cat fancy and judging across Europe and beyond, Pascal brings a strong eye for breed type, balance and presentation to his judging. It reflects an appreciation for the diversity of breeds shown under WCF and a thoughtful, standards-focused approach to each exhibit.

Jane Van Dyk - Australian National Cats Inc

She breeds and exhibits pedigree cats, including Burmese, Siamese and Mandalay breeds under her Leopardus cattery, and has been engaged in the cat fancy and it's governance for many years. Jane's roles within ANCATS encompass hands-on show involvement, contributing to the organisation's events, standards and support for exhibitors.

Ring 3 All Breeds
